CME

Continuing Education Credit: 2.00

- AO North America is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
- AONA has been resurveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation.

- **Designation Statement** - AO North America designates this live educational activity for a maximum of 2.00 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Continuing Medical Education (CME) mission of AO North America (AONA®) is to provide comprehensive multidisciplinary needs based education to surgeons, fellows, and residents in the specialties of orthopedic, hand, craniomaxillofacial, spine, neurosurgery, and veterinary surgery in the areas of trauma (i.e.), operative reduction and fixation), degenerative disorders, deformities, tumors, and reconstruction.

Expected results of AONA's CME activities for surgeons, fellows, and residents are to:

- **Increase their knowledge base and surgical skill level**
- **Improve competence by applying advances of knowledge in patient care in the areas of trauma, degenerative disorders, deformities, tumors, and reconstructive surgical techniques**
- **Address practice performance gaps by improving management of aspects of traumatic injuries and musculoskeletal disorders (i.e., pre-operative planning to post-operative care)**

Learning Objectives

Upon completion, participants should be able to:

- Discuss cases relevant to orthopedic spine and neurosurgical practices
- Diagnose, treat and manage spine disorders and deformities
- Gather expert advice on addressing barriers and challenges to obtain optimal patient outcomes related to cases presented
- Collaborate with peers and experts on cases and topics to determine best surgical approaches, surgical and non-surgical treatment options for spine disorders and deformities

Faculty

Choma, Theodore - Moderator

MD
Professor and Vice Chairman
Director, Spine Division
Chairman, University Physicians
University of Missouri
Columbia, Missouri

After obtaining degrees in mechanical engineering and biology from Lehigh University and a masters degree in biomechanics from Virginia Tech, Dr. Choma went to medical school at Eastern Virginia Medical School and trained in orthopaedic surgery at Walter Reed Army Medical Center and fellowship at the Twin Cities Spine Center. He spent 14 active years in the Army as an orthopaedic spine surgeon and has been on faculty at the University of Missouri since 2006. He directs the Spine Division of the Department of Orthopaedic Surgery and was granted tenure in 2011. He was elected chairman of the University Physicians practice group and as such, represents 775 physicians and 300 mid-level providers in various aspects of their academic medical practice. He has been active in AO Spine since 2004 and maintains a busy university spine surgical practice.

Chutkan, Norman B - Lecturer

MD
Dr
Director of Education
The CORE Institute
Professor
University of Arizona College of Medicine Phoenix
Phoenix, Arizona

Divi, Srikanth - Lecturer

MD
University of Chicago
Chicago, Illinois

Lawrence, Brandon - Lecturer

MD
Professor
Chief of Spine Surgery
Department of Orthopaedics
University of Utah
Salt Lake City, Utah

Mesfin, Fasil - Lecturer

Associate Professor (Tenured)
Columbia, Missouri

Patel, Alpesh - Lecturer

MD, MBA, FACS
Director, Northwestern Center for Spine Health
Director, Fellowship in Spine Surgery
Professor, Dept. of Orthopaedic Surgery
Professor, Dept. of Neurosurgery
Northwestern University Feinberg School of Medicine

Chicago, Illinois

Segebarth, Brad - Lecturer

MD
Dr.
Director, OrthoCarolina Spine Fellowship Program
Associate Professor Atrium Health MSKI
Director, Novant Health Spine Trauma/E-Service Charlotte Region
Charlotte, North Carolina

**Spina, Nicholas - Lecturer**

MD

Assistant Professor

Department of Orthopaedics

University of Utah

Salt Lake City, Utah

Nicholas Spina MD is a member of the University of Utah Department of Orthopaedics. His clinical interest include degenerative and traumatic conditions of the spine as well as adult spinal deformity. His research interest include health outcomes, adult spinal deformity, and biomechanics. He completed his orthopaedic surgery residency at the University of Pittsburgh and orthopaedic spine fellowship at the University of Utah.

**Zhou, Haitao - Lecturer**

MD

Associate Professor

Harborview Medical Center

Seattle, Washington

AO NA Disclaimer Information

Faculty Disclosure:

It is the policy of AO North America to abide by the Accreditation Council for Continuing Medical Education Standards for Commercial Support. Standard 2: "Disclosures Relevant to Potential Commercial Bias and Relevant Financial Relationships of Those with Control over CME Content," requires all planners, including course directors, chairs, and faculty, involved in the development of CME content to disclose their relevant financial relationships prior to participating in the activity. Relevant financial relationships will be disclosed to the activity audience. The intent of the disclosure is not to prevent a faculty with a relevant financial or other relationship from teaching, but to provide participants with information that might be of importance to their evaluation of content. All potential conflicts of interest have been resolved prior to the commencement of this activity.

Off-Label / Experimental Discussions:

Some medical devices used for teaching purposes and/or discussed in AO North America's educational activities may have been cleared by the FDA for specific uses only or may not yet be approved for any purpose. Faculty may discuss off-label, investigational, or experimental uses of products/devices in CME certified educational activities. Faculty have been advised that all recommendations involving clinical medicine in this CME activity are based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.

All scientific research referred to, reported or used in this CME activity in support or justification of a patient care recommendation conforms to the generally accepted standards of experimental design, data collection and analysis.

Disclaimer:

The opinions or views expressed in this live continuing medical education activity are those of the faculty and do not necessarily reflect the opinions or recommendations of AO North America or any commercial supporter. The certificate provided pertains only to the participants' completion of the educational activity.

Conflict of Interest Resolution Statement:

When individuals in a position to control or influence the development of the content have reported financial relationships with one or more commercial interests, AO North America utilizes a process to identify and resolve potential conflicts to ensure that the content presented is free of commercial bias.

Liability Statement:

AO North America faculty and staff assume no personal liability for the techniques/ approaches discussed or demonstrated which are for teaching and educational purposes only. The certificate provided pertains only to the participants' completion of the course and does not, in any way, attest to the proficiency of the participants' clinical experience.
