CME

Continuing Education Credit: 1.00

- AO North America is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
- AONA has been resurveyed by the Accreditation Council for Continuing Medical Education (ACCME) and awarded Accreditation with Commendation.

Continuing Education Dental Credit Statement

As an Accreditation Council for Continuing Medical Education (ACCME) accredited provider, AO North America meets the definition of a constituent or component organization of the AMA and thereby meets most state dental board requirements of an approved sponsor of continuing education. This educational activity is focused on clinical issues in oral-maxillofacial surgery that are relevant to the treatment and care of dental patients. Most states accept AMA constituents as approved sponsors for continuing dental education credit. If you have questions, your state dental board can confirm eligibility of this educational activity.

- **Designation Statement** - AO North America designates this live educational activity for a maximum of 1.00 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The Continuing Medical Education (CME) mission of AO North America (AONA®) is to provide comprehensive multidisciplinary needs based education to surgeons, fellows, and residents in the specialties of orthopedic, hand, craniomaxillofacial, spine, neurosurgery, and veterinary surgery in the areas of trauma (i.e., operative reduction and fixation), degenerative disorders, deformities, tumors, and reconstruction.

Expected results of AONA's CME activities for surgeons, fellows, and residents are to:

- Increase their knowledge base and surgical skill level
- Improve competence by applying advances of knowledge in patient care in the areas of trauma, degenerative disorders, deformities, tumors, and reconstructive surgical techniques
- Address practice performance gaps by improving management of aspects of traumatic injuries and musculoskeletal disorders (i.e., pre-operative planning to post-operative care)

Learning Objectives

Upon completion, participants should be able to:

- Discuss the causes of TMJ ankylosis
- Understand the benefits of total joint replacement
- Discuss the use of technology in total joint replacement

Faculty

Buchbinder, Daniel - Chairperson

DMD, MD
Professor and System Chief, Division of Maxillofacial Surgery
Department of Otolaryngology, Head and Neck Surgery
Mount Sinai Health System
Icahn School of Medicine at Mount Sinai
New York, New York

Dr. Daniel Buchbinder is a graduate of University of Montreal School of Dental Medicine (DMD) and the Mount Sinai School of Medicine (MD). He received his certificate in Oral, Maxillofacial Surgery from the Mount Sinai School of Medicine and is a Diplomate of the American Board of Oral, Maxillofacial surgery. He holds the academic rank of Professor Otolaryngology (Maxillofacial surgery) at the Icahn School of Medicine at Mount Sinai, New York, NY, USA. Dr. Buchbinder is the chief of the division of Maxillofacial Surgery, Department of Otolaryngology- Head and Neck Surgery for the Mount Sinai Health System and director of the post graduate maxillofacial surgery training program at Mount Sinai-Beth Israel/Jacobi/Einstein. Dr. Buchbinder has published over 100 peer reviewed articles and has lectured extensively on cranio-maxillofacial trauma management, reconstruction using free tissue transfer and the use of osseointegration and computer assisted CMF surgery. Dr. Buchbinder is a member of the multidisciplinary team at the Institute for Head and Neck & Thyroid Cancer and serves on the board of directors and the scientific advisory board for the Thyroid & Head and Neck Cancer (THANC) Foundation. Dr. Buchbinder is the General Editor of the AOCMF Surgery reference, an award winning freely accessible Internet based resource dedicated to improving CMF fracture care. It describes hundreds of surgical procedures in great detail, giving decision-making support for treatment options, offering overviews of clinical studies, helping with diagnoses, and illustrating everything with thousands of images and videos. Dr. Buchbinder also serves on the AO technical commission executive board (CMF representative), the AO Invest board, The AO Foundation task force on simulation as well as the board of trustees of the AO ASIF foundation, a non-profit organization based on a network of surgeons who are committed to the study, practice, and teaching of AO principles and their advancement in the field of trauma and musculoskeletal surgery.

Latham, Kerry - Evaluator

MD, FACS
Plastic Surgeons of Alaska
Associate Professor of Surgery and Pediatrics - USUHS
Anchorage, Alaska

Dr. Kerry Latham is a Craniofacial Plastic surgeon in Anchorage Alaska

Cunningham, Larry - Lecturer

MD, DDS, FACS, FICD
Professor
Waco Center for Oral and Maxillofacial Surgery
Waco, Texas

After having spent over 20 years in education at two different teaching centers, Dr. Cunningham recently entered private practice in Waco, TX. Dr. Cunningham is a past president of the American Board of Oral and Maxillofacial Surgeons and is an AOCMF Educational Board member. His clinical interests include orthognathic surgery, facial trauma and reconstruction, and temporomandibular joint surgery. Dr. Cunningham is a Fellow of the American Association of Oral and Maxillofacial Surgeons and is a Diplomat of the American Board of Oral and Maxillofacial Surgery.

AO NA Disclaimer Information

Faculty Disclosure:

It is the policy of AO North America to abide by the Accreditation Council for Continuing Medical Education Standards for Commercial Support. Standard 2: "Disclosures Relevant to Potential Commercial Bias and Relevant Financial Relationships of Those with Control over CME Content," requires all planners, including course directors, chairs, and faculty, involved in the development of CME content to disclose their relevant financial relationships prior to participating in the activity. Relevant financial relationships will be disclosed to the activity audience. The intent of the disclosure is not to prevent a faculty with a relevant financial or other relationship from teaching, but to provide participants with information that might be of importance to their evaluation of content. All potential conflicts of interest have been resolved prior to the commencement of this activity.

Off-Label / Experimental Discussions:

Some medical devices used for teaching purposes and/or discussed in AO North America's educational activities may have been cleared by the FDA for specific uses only or may not yet be approved for any purpose. Faculty may discuss off-label, investigational, or experimental uses of products/devices in CME certified educational activities. Faculty have been advised that all recommendations involving clinical medicine in this CME activity are based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.

All scientific research referred to, reported or used in this CME activity in support or justification of a patient care recommendation conforms to the generally accepted standards of experimental design, data collection and analysis.

Disclaimer:

The opinions or views expressed in this live continuing medical education activity are those of the faculty and do not necessarily reflect the opinions or recommendations of AO North America or any commercial supporter. The certificate provided pertains only to the participants' completion of the educational activity.

Conflict of Interest Resolution Statement:

When individuals in a position to control or influence the development of the content have reported financial relationships with one or more commercial interests, AO North America utilizes a process to identify and resolve potential conflicts to ensure that the content presented is free of commercial bias.

Liability Statement:

AO North America faculty and staff assume no personal liability for the techniques/ approaches discussed or demonstrated which are for teaching and educational purposes only. The certificate provided pertains only to the participants' completion of the course and does not, in any way, attest to the proficiency of the participants' clinical experience.
